## PRESS ON TO VICTORY!

The people of North Carolina have their destiny in their own hands.

It is for them to say on the first Thursday in August, whether they shall have the State Government administered by honest, competent and faithful hands, or whether they shall trust to the tender mercies of Radicalism their highest interests and dearest rights.

The record of the Radical party is before the country and is, or ought to be, known of all men. It is superfluous now to dwell on that record in detail.

We have the opportunity and the power to change our State officials. The matter is submitted to the people to say on Thursday, whether they can stand another reign of corruption, lawlessness and crime.

If the people are prepared to submit to such outrages as they have suffered for the past four years, then argument, persuasion, entreaty and supplication will be all in vain.

If they are prepared to compromise with usurpation and oppression, then they are indeed joined to their idols, and might as well be alone.

But we cannot, we will not believe this of the people of North Carolina. We have too much faith in them. We think too highly of their virtue, their patriotism, their State pride.

We believe we are on the eve of a proud and noble triumph.

We believe that the first day of August will bring to an end the present State Government which has been to us all a blight and a curse.

North Carolina is to fire the first gun in the great National contest of 1872.

The result in this State is watched with eager interest all over the country. If it goes against Radicalism, it will be hailed as the precursor of the triumph in November, of the great fundamental principles enunciated at Cincinnati and Baltimore. The patriots of the country, discarding all party feeling and burying all party feuds and prejudices, have united together to save Constitutional liberty and preserve the rights of local self-government in the States.

It is a grand spectacle to behold this great sacrifice of passion and political animosities, for the sake of the country and of Constitutional Government.

North Carolina, from her present attitude, may virtually decide the great battle to be fought for the preservation of civil liberty in America!

What a fearful responsibility rests upon our State!

Do our people appreciate the tremendous consequences that hang upon the result of our election? It will be difficult to exaggerate those consequences.

We have the victory in our reach. A full Democratic vote will surely carry us forward to an assured triumph.

Let us then press on to win the race! Who will be a laggard now? Who will hesitate?

Who will refuse to devote his whole energies to the work?

Who is not willing to devote the balance of the time till sunset of August the first, for the success of our cause?

LET US PRESS ON TO VICTORY.

LET EVERY DEMOCRATIC VOTER BE AT THE POLLS ON THE 1ST DAY OF AUGUST.

A FULL DEMOCRATIC VOTE WILL INSURE THE SUCCESS OF OUR TICKET.

MASS MEETING AT COMPANY SHOPS.

The Democrats and Conservatives are making immense preparations for the grand Mass meeting and Barbecue at Company Shops, on Wednesday the 31st of August.

Carl Schurz, Senators Tipton, Doolittle and Ransom, Gov. Vance, Judge Merrimon and other eminent speakers have been invited to attend.

This will be one of the largest meetings ever held in the State.

It will be under the management of Capt. E. S. Parker, Chairman of the County Executive Committee of Alamance.

If every County Executive Committee had such a Chairman as Parker, we would elect Merrimon by an overwhelming majority.

BOUTWELL, GRANT'S SECRETARY OF THE TREASURY, PROTESTS AGAINST CLASPING HANDS OVER THE BLOODY CHASM.

Grant's Administration proclaims that it is not yet time for peace and reconciliation.

IMPROPER REGISTRATION—WATCH THE POLLS!

The challengers of Raleigh Township have already detected one hundred and eighty-five irregular registrations!

LOOK OUT FOR FRAUD.

One of the most responsible citizens of Halifax county, informed us yesterday that two hundred and twenty-nine negroes had been challenged at one Township, (Littleton) in Halifax county.

SEND US THE ELECTION NEWS.

Our friends in every section of the State will confer a great favor on us by sending us, at the earliest possible moment, the election news in their respective counties.

By doing so, they will place us under many obligations.

LET EVERY DEMOCRATIC VOTE IN NORTH CAROLINA BE POLLED ON THE FIRST DAY OF AUGUST.

## SUCH A CANVASS!

Such a canvass as that we are now having in North Carolina has never before been witnessed.

For thoroughness, ability, zeal and eloquence, it has never been surpassed. Besides our most eminent speakers, we have had speeches from such men as Doolittle, and Stockton and Walker and Tipton, and McClure, and Hinton and Carey and other distinguished orators of national reputation.

And now the brilliant and eloquent Schurz has reached this State, and while we are writing this article, he is speaking to over five thousand people at Charlotte.

With all this array of talent on our side, we doubt not our people have been thoroughly informed of the great issues at stake, and can vote understandingly and intelligently.

On the Radical side, we had Wilson, the Radical candidate for Vice-President, Delano, the Secretary of the Interior, Boutwell, the Secretary of the Treasury, Fred. Douglass, Gov. Harriman of New Hampshire and others.

Messrs. Wilson, Delano and Boutwell have confessedly had very small crowds, and their efforts have certainly effected nothing for the cause of Grant.

Eloquent and stirring appeals have been made to the citizens of North Carolina to rescue their country from despotism and political death.

And now, freemen of North Carolina, the struggle is at hand! Now is the very crisis of your fate! Come forward to the rescue of your State.

The whole country is looking forward to your action.

Be equal to the occasion. Shrink not in the hour of danger. Be true to your State and to yourselves.

Act like men, like patriots, like true North Carolinians.

For the manner in which you perform your duty on Thursday, you will be held to a strict accountability hereafter.

Our candidates have labored nobly for our cause.

Our speakers, both from abroad and from home, have fought the enemy at every point.

Our State press has worked with a zeal and spirit of which we should ever be proud.

There is no excuse now for lukewarmness and inactivity on the part of the masses.

Everything has been done that could be done to arouse the people to their duty and to a sense of the wrong which have been indicted upon them.

If the people fail now, they can have no one to reproach hereafter but themselves.

How much did Littlefield, Swenson & Co., pay in cash for the Radical Legislature of 1868-9? According to Swenson's sworn testimony, the sum of two hundred and forty-one thousand dollars.

Who was the first signer of the infamous Radical address of 1868, which emanated from the brain of reckless politicians?

TOD R. CALDWELL, the Radical candidate for Governor.

LOOK OUT FOR FRAUD.

Let every Township have three challengers to see that no illegal vote is polled.

When a stranger applies to vote, ascertain if he is a bona fide resident of the Township, and has been residing there thirty days. Ascertain if he has been a citizen of the State TWELVE MONTHS.

If these things are not proved to your satisfaction, challenge the person offering to vote.

EVERY VOTE COUNTS.

Our political antagonists are importing negroes by the wholesale, from the bordering States.

We have evidence that large numbers have been brought here from Virginia. See that every non-resident is excluded from voting.

We call upon our friends in Granville, Halifax, Northampton, Edgecombe and adjoining counties to be on the alert. We want a free and fair election.

We shall denounce fraud, whether committed by friends or foes.

If we cannot be elected fairly, we would vastly prefer defeat rather than resort to any tricks or species of fraud whatsoever.

And we demand the same at the hands of our opponents.

In the large negro counties, there has been too much apathy among the white voters, on account of their being in a hopeless minority.

There have been thousands of illegal negro votes cast in every election since the war, for want of vigilance on the part of our friends.

This must not be the case again.

Let every Democrat feel a direct personal responsibility in this matter.

It is of the greatest importance that all fraudulent voting be prevented.

Our success in the State depends upon this.

Be vigilant in every Township, no matter what may be the negro majority.

Examine the Registration books.

Be active on the day of election.

LOOK OUT FOR FRAUD.

WATCH THE POLLS.

Who tortured Murray and Patton—hung them up by their necks until life was nearly extinguished, in order to extort confessions of occurrences of which they knew nothing? Kirk and his brigades.

## MOBS RADICAL TRICKERY.

We understand that the Radicals are colonizing negroes from the Counties in which the negroes have an overwhelming majority, into those Counties where the parties are evenly balanced, for the purpose of throwing the preponderance into the Radical scale.

We understand that numbers of negroes have been sent from Edgecombe to Nash and Wilson, for that purpose.

It will be seen from the letter of Col. W. A. Johnston, of Littleton, that negroes in Halifax are offered free returns from Wake County this week.

While this will not affect the general result in the State, yet if they offer to vote we must see to it that such persons are not allowed to vote at all.

This will be a loss to Caldwell and the Radical State ticket, if the fraud is stopped.

LOOK OUT FOR FRAUD ON THE DAY OF ELECTION.

CHALLENGE THEM.

There are thousands of negroes in this State under age who have been voting at every election.

This should not be allowed at the next election.

Every voter must be 21 years of age, and must have resided in the township 30 days preceding the election.

Watch the polls, and stop all illegal voting.

VOTE FOR SION H. ROGERS FOR CONGRESS.

Vote against William A. Smith, the Radical nominee, the friend of Caldwell and Grant.

REMEMBER THAT GOVERNOR VANCE states that Hon. Reverdy Johnson informed him that the Supreme Court of the United States had in its opinion in one of the South Carolina cases, declared the Ku-Klux laws of Congress to be unconstitutional.

The Radical candidate for Governor wants the great writ of Habeas Corpus suspended in the South. This is putting the military over the civil law. This is driving freemen of the right of trial by jury.

Can you vote for Caldwell?

ONE HUNDRED AND EIGHTY FIVE NAMES, HAVE BEEN CHALLENGED IN TOWNSHIP IN WAKE COUNTY FOR ILLEGAL REGISTRATION.

TWO HUNDRED AND TWENTY-NINE IN ONE TOWNSHIP.

We stated in an editorial elsewhere, upon the information of a responsible citizen of Halifax, that two hundred and twenty-nine names had been challenged at Littleton. By yesterday's mail we received the following letter from Col. W. A. Johnston of that place, confirming the statement of our informant.

We call upon our friends everywhere to look out for fraudulent registration.

Editors News:

GENTS:—We challenged here on last Saturday, 229 names which had registered to vote. Of these, perhaps 10 or 15 were white, the balance colored. This shows to some extent what our enemies are doing, and how they make their majorities.

We hear that certain negro employers on the Raleigh and Gaston Railroad are offering to take colored voters on their trains to Raleigh this week and return free. Does this mean that the Rads having such a large majority for the county ticket here, are sending voters to Raleigh to help their brethren in Wake?

Yours truly,

W. A. JOHNSTON.

TWO HUNDRED AND TWENTY-NINE NAMES HAVE BEEN CHALLENGED IN ONE TOWNSHIP IN HALIFAX COUNTY FOR ILLEGAL REGISTRATION.

INTIMIDATION OF VOTERS.

The Enforcement Act was intended for the Ku-Klux. But there is no immunity from its operations for Radicals who intimidate Conservative voters. Let them remember that they as well as the Ku Klux can be tried and punished for violating it. Their party framed the law. Let them be made to respect it.

There is a United States Commissioner in this city, and we doubt not he would enforce the law to the limit of his authority if a case should arise and be brought before him.

Colored men who dissent from the Radical faction must be allowed to entertain their political opinions free and unmolested. The law protects them. Their Conservative and Liberal Republican friends will see to it they are allowed liberty of speech and action.

Every man in this county is, or ought to be, free. We say "ought to be," because we fear some are under the control of mean white conspirators and agitators, who to carry their personal ends would overthrow all government, all law, all society, all religion.

Remember every man has the right to vote as he pleases. He who dares or seeks to deprive a lawful voter from his right of suffrage is liable to the penalties of the law.

LET EVERY MAN STAND FAST AND FIRM BY THE OPINIONS HE ENTERTAINS, AND BE DRIVEN OR INTIMIDATED BY NO MAN OR SET OF MEN.

ON THURSDAY NIGHT AN AGED ADHERENT OF HORACE GREENEY WAS INSULTED AND THREATENED WITH PERSONAL VIOLENCE. HE HAD DONE NOTHING. HE HAD SAID NOTHING EXCEPT QUETLY TO DECLARE HIS PURPOSE TO VOTE FOR GREENEY AND BROWN.

We tell the men who do these things, that they will be held to a strict accountability under the law their own Congress made for the benefit of the Ku-Klux so-called.

We tell them they shall not go unpunished. There is no slavery in this land, and we thank God our people will not be threatened and driven. Our souls do not belong to the Caldwell and Grant plotters.—Wilmington Star.

## A VOTE FOR CALDWELL IS A VOTE IN FAVOR OF LAWLESSNESS, USURPATION AND CRIME.

—in favor of all the atrocities of the Kirk war—in favor of all the violations of the rights of citizens perpetrated under Gov. Holden's administration!

CAN YOU VOTE FOR ALL THESE WRONGS?

STOP ALL FRAUDULENT VOTING.

Challenge unknown persons.

WATCH THE POLLS.

There is an organized ring to bring Tennessee, South Carolina and Virginia negroes into our State, to vote for the Radicals.

RETAINED, NOT "RELIEVED."

A telegram informed us yesterday that in case of Supervisor Perry, the word "relieved" should have been retained. So that Perry is retained still in the Department. This may be a relief to Perry, if not to the public.

D. F. CALDWELL, Q.

We understand that the Conservative Executive Committee for the Fifth District have appointed D. F. Caldwell, Esq., of Guilford, as Elector for that District. This an excellent appointment.

Who endorsed the State Radical Administration of 1869-70, and expressed admiration and gratitude for W. W. Holden for his past course? The Radical Convention which nominated Tod R. Caldwell.

The Radical Convention that nominated Caldwell endorsed all that was done under Governor Holden's Administration.

A VOTE FOR CALDWELL IS A VOTE FOR THE ENDORSEMENT OF ALL THE FRAUDS, CORRUPTIONS AND USURPATIONS OF THE RADICAL PARTY.

THE Democratic Legislature in one year saved over four hundred thousand dollars in the annual expenses of the Government.

The penalty for such conduct, upon conviction, is four years in the penitentiary, coupled with a heavy fine. Look out!

HEROIC SACRIFICE.—A few days since one Philip Gould, a colored man, came to Spring Mills, Pennsylvania, to attend a picnic of a company of colored soldiers from Camden, and while standing near the railway saw, just as the Reading express was rounding a curve and dashing down upon them with frightful speed, five ladies standing upon the track. With wonderful presence of mind, and with utter disregard for his own safety, he violently pushed them over the edge of a slight embankment, at the foot of which they were in perfect safety, but in safety attained only at the cost of their preserver's life. Gould was struck by the engine, tossed over the smoke-stack, and fell on the tender, from where he rolled to the ground, horribly mangled and quite dead. A Letter from Livingstone.

The New York Herald furnishes the press of the country the following letter to its editor from Dr. Livingstone: *Ujiji, on the Tanganyika, East of Africa, November, 1871.*—My Dear Sir: It is in general somewhat difficult to write to one we have never seen. It feels so much like addressing an abstract idea—but the presence of Mr. Stanley, your representative in this distant region, takes away the strangeness I should otherwise have felt, and in writing to thank you for the extreme kindness that prompted you to send him I feel quite at home.

I explain the forlorn condition in which he found me, you will easily perceive that I have good reason to use very strong expressions of gratitude. I came to Ujiji on a tramp of between 400 and 500 miles, beneath a blazing vertical sun, having been baffled, worried, defeated and forced to return when almost in sight of the end of the geographical part of my mission, by a number of half-caste Moslem slaves sent to me from Zanzibar, instead of men.

The sore heart, made sorer by the woful sights I had seen of man's inhumanity to man, reached and told on the bodily frame and depressed it beyond measure. I thought I was dying on my feet. It is not too much to say that almost every step I took of the weary, sultry way I was in pain, and I reached Ujiji a mere ruckle of bones. There I found that some 5000 sterling worth of goods, which I had ordered from Zanzibar, had unavoidably been entrusted to a drunken half-caste Moslem tailor, who, after squandering them for sixteen months on the way to Ujiji, finished up by selling off all that remained for slaves and ivory for himself.

He had divined on the Koran, and found that I was dead. He had also written to the Governor of Unjanyembe that he sent the slaves after me to Manjambwe. He returned and reported my decease, and begged permission to sell off the few goods that his drunken appetite had spared. He, however, knew perfectly well from men who had seen me that I was alive, and waiting for the goods and men.

He was evidently an idiot, and there being no law here except that of the dagger and musket, I had to sit down in great weakness, destitute of everything except a few barter clothes and beads which I had taken the precaution to leave here in case of extreme need.

The near prospect of beggary among the Ujijians made me miserable. I could not despair because I laughed so much at a friend, who, on reaching the mouth of the Schambesi, said he was tempted to despair on breaking the photograph of his wife. We could have no success after that.

Afterwards the idea of despair had to me such a smack of the ludicrous that it was out of the question. When I had got to the lowest verge, vague rumors of an English visitor reached me. [The Doctor enters into an account of further difficulties, his meeting with Mr. Stanley, &c., fully confirming the reports heretofore published.]

Radical Rascality Detected.

GOLDSBORO, N. C., July 27th, 1872.

EDITORS DAILY NEWS.—I take the liberty to request a space in your valuable paper, for the brief exposition of a piece of Radical rascality, which was recently detected at this place. The circumstances are as follows:

A young citizen of Goldsboro, whom I will call Mr. P., went to the Court House a few days since, for the purpose of registering, called at the Registrar's office, where he found J. L. Garrett, a "fire-tried" Radical township clerk, and Route Agent on the N. C. Railroad. Mr. P. made known his business, and asked Garrett if he could attend to it. Garrett replied that he could, and then and there proceeded to administer the required registration oath, took the gentleman's name on a slip of paper, (not in the book), and told him that it was all right. Some of the circumstances created suspicion on the mind of Mr. P., and upon consultation with a friend, he was advised to call again and ascertain if his name was properly registered. He did so, and found that his name had not been placed upon the registration book, and that Garrett had no authority whatever in the premises. Thus it appears that this fellow Garrett willfully attempted to defraud a citizen of his vote, and administered an oath without the slightest authority to do so. I do not like to indulge in personalities, but in my humble opinion, such high-handed presumption and rascality as practiced by Garrett in this instance, should be shown up for the condemnation of honest and liberty-loving citizens.

My special object in writing this communication is to warn the people everywhere, to be on the alert for similar Radical tricks and dodges. The approaching election is of immense importance, and of course these "fire-tried" Radicals will resort to any foul means by which they may gain the contest. Let us then be watchful, and on next Thursday, vote down the numerous corruptions of the Radical party.

We are hopeful of success in this section, and I predict that Wayne county will go for Merrimon and the entire State ticket.

CONSERVATIVE.

Wigfall and Brooks—Reminiscences of a Recent Days in South Carolina.

Louis Wigfall, a native of South Carolina, and long a Senator from Texas, is practicing law in this city. He is a man of great originality, aplomb, quaintness and force of talk. He is very earnestly for Mr. Greeley, and it is thought may be sent to the South to stump such parts as have received the infliction of Toombs and Wise. It is very entertaining to hear Wigfall discuss Southern things. The old man loves to revive the earlier scenes of his life, when he lived in the Edgefield district of South Carolina, and made his great reputation with the powerful family of the Brooks. The Brooks family had great numbers of negroes and broad acres, and were a sort of hereditary oligarchs in the Edgefield district. They despised Calhoun—not for his opinions—but because he could command the attention of the country without wealth such as theirs. Wigfall being the henchman of Calhoun in Edgefield, the elder Brooks said some mean things about him, at which Wigfall sent him notice that he meant to post him at the Court house door, and would spend three hours in defending the posting. In the Southern style, therefore, Wigfall de-

nounced old Brooks as a liar, etc., and with a small arsenal, for somebody to knock a chip off his shoulder, taking his liquor in the mean time as he had been doing for the greater part of his days. In due time along came a couple of nephews of old Brooks to tear down the bill, when there was an instant explosion of percussion caps, and one Brooks was killed, and another badly wounded. This led to a challenge to Louis Wigfall from Preston S. Brooks (the future castigator of Charles Sumner) son of the old man, and they met, and at the first fire both were slightly wounded, and at the second fire both dangerously wounded. Before Preston S. Brooks died, he acknowledged the injustice of his family towards Wigfall, and sent a nephew of the latter to the Naval Academy. These old and ruined rebels are queer objects in existing society, and their stories and legends are listened to as if Captain Kidd or Sixteen String Jack were to come out of the grave.—Baltimore Letter to New York Sun.

Mr. Stillman, Agent of "The Howe Sewing Machine."

We have had your Machine in use in our family for four months, and can safely recommend it to the public for its simplicity, beauty as a piece of furniture, and as a "help" to those who wish to do their own sewing. We have made with it, in addition to the usual household work, over one hundred garments, large and small, including Pants, Coats, Dresses, &c., some of which were heavily trimmed, two of the dresses costing from 100 to 125 yards of ticking. It is worked with much ease, requiring but little exertion. We would not be without one for three times its cost.

VALUABLE LAND FOR SALE

IN THE

COUNTY OF WARREN.

I offer for sale, five hundred and two (502) acres of land, situated in the county of Warren, on Shogoo Creek, adjoining the Sulphur Springs Tract of Col. J. M. Hook, on both sides of the Turnpike Road, leading from the Sulphur Springs to the flourishing Town of Ridgeaway, on the Raleigh & Gaston Railroad, and nine miles from the latter place. There is an Over-seer's house, three cabins, corn-crib and stables on the premises. About one-fourth (1/4) of the tract is in original growth of oak, Hickory, &c., one-fifth in second growth pines. The soil is sandy, lean and chocolate-colored, undulating, well watered, and about 200 acres of rich bottom land, it yields excellent crops of corn, tobacco, wheat, oats, clover, &c. This is one of the best tracts of land in this section, and will be sold on reasonable terms.

Dr. George Fields, who resides near the Sulphur Springs, is showing the property to persons wishing to examine it, and is authorized to negotiate for its sale.

## WIN AND WEAR.

There is no royal road to greatness—  
Men must ever climb to fame;  
All the wealth in misers' coffers  
Wouldn't buy a deathless name.  
It is a noble goal before you  
Would you great achievements dare?  
Brother, then be up and doing—  
Brother, you must "Win and Wear."  
Toll and labor, never stopping  
Till you make the prize your own;  
For you know "tis constant dropping  
Wears away the hardest stone.  
Never lack sublime endeavor,  
Nor mid cheerless toil despair;  
If you rise above your fellows,  
Brother, you must "Win and Wear."  
Tis the lesson Nature teaches  
All throughout her wide domain;  
And text from which she preaches  
Is "that labor leads to gain."  
Moral worth and honest merit  
Brighter crowns than monarchs bear—  
These you never can inherit  
—Brother, you must "Win and Wear."
